Re: Resubdivision Plat of St. Mary's Hall Property

Dear Messrs. Herrera & Shute:

On behalf of our client, Denton Communities, please accept this application for recognition of vested rights for the above referenced property. The basis for this vested rights permit application is the application for the plat of the resubdivision of St. Mary's Hall property, which was approved by the City of San Antonio's Planning Commission on October 4, 1967. The area that was replatted consisted of 54.291 acres out of the A. Perez Survey No. 10, County Block 5013 and J. Fitzgerald Survey No. 1353-1/2, County Block 5030.

My review of the aforementioned documents have led me to conclude that this property is entitled to recognition of vested rights as of October 4, 1967 under Texas Local Government Code Chapter 245 and Unified Development Code Article 7 Division 2. I am confident that after you have had an opportunity to review this matter you shall reach the same conclusion and issue the requested permit acknowledging the property's vested right.

Enclosed herewith please find a check for \$160.00 to cover the costs of processing this application. In addition, please find two (2) copies of the following:

1. Exhibit A – Vested Rights Permit Application dated June 6, 2002;
2. Exhibit B – Resubdivision Plat of St. Mary's Hall Property, which shall also serve as a site map of the property.

Messrs. Herrera & Shute
